

Computer Literacy Part II Instructor TBA
Mondays, 1:00 – 3:00 in Moncton Lions Centre
6 weeks starting on Jan 18, 2010
Maximum 6

Storm Policy: No classes when schools are closed in Moncton

This course is on understanding how computers work.

This course builds on fundamentals of Fall 2009 course, but is open to all members.

Students **MUST** have a laptop to sign up for the course

Instructor Bio:

Margaret has been teaching in Computer Science and Management of Information Systems since 1991 at Mount Allison University

Some people are very sensitive to perfumes and other scents. Please respect a scent free environment by not using scented products. Thank you.

A note to seniors about class attendance and absenteeism....

As you know, our instructors are all volunteers, who work very hard at putting courses together. Your cooperation is appreciated in letting them know if you are unable to attend any of the classes as most instructors plan weekly classes that are appropriate to the number of registered students in the course.

If circumstances change between registration and the first class, or if you decide to withdraw after the first or second class, please email tsccordinator@nbnet.nb.ca or call 364-2780. Many courses have a wait list and this could allow someone else to take your place.

Sometimes, seniors have travel plans or medical appointments made in advance. It would help instructors to know this at registration, if possible, so that class material may be adjusted accordingly. Illness, as well as other unanticipated and unavoidable conflicts can occur. If you are able, please let your instructor know as soon as possible if you will miss a class.

Thank you!
