Put glue on your hands, a smile on your face, art on your walls.

What do quilters, engineers, scrapbookers, and good cooks have in common? They all love to collage! They love to bring together a little of this along with some of that. All these bits and pieces, in combination, make something new, something wonderful. You don't need any previous art or craft experience to enjoy this course. Just bring your curiosity.

Instructor Bio:

Both my formal training and years of working experience equip me to teach such a course with both skill and enthusiasm. I have a 4-year Diploma in Fine Arts from Emily Carr College of Art and Design (Vancouver) as well as a Master's Degree in Theatre Design from UBC. For the last 16 years I have been the Resident Designer (sets & costumes) for Windsor Theatre, Mount Allison University

Some people are very sensitive to perfumes and other scents. Please respect a scent free environment by not using scented products. Thank you.

A note to seniors about class attendance and absenteeism....

As you know, our instructors are all volunteers, who work very hard at putting courses together. Your cooperation is appreciated in letting them know if you are unable to attend any of the classes as most instructors plan weekly classes that are appropriate to the number of registered students in the course.

If circumstances change between registration and the first class, or if you decide to withdraw after the first or second class, please email tsccordinator@nbnet.nb.ca or call 364-2780. Many courses have a wait list and this could allow someone else to take your place.

Sometimes, seniors have travel plans or medical appointments made in advance. It would help instructors to know this at registration, if possible, so that class material may be adjusted accordingly. Illness, as well as other unanticipated and unavoidable conflicts can occur. If you are able, please let your instructor know as soon as possible if you will miss a class.

Thank you!
