

**Tantramar Seniors' College  
Course Outline Fall 2010  
Coin Collecting  
Instructor: Ralph Belliveau**

**Have you ever wondered if that coin collection Uncle George left you really has any value? What about the old French franc you found when you were young? This 2 hour introductory session will be of benefit to those interested in coin condition, coin errors and coin value as well as protective measures for collections. Participants may wish to bring coinage/paper money for group discussion, if time permits.**

**This session will be held Thurs 4 Nov from 1 to 3 p.m. at the Amherst Library.**

**Instructor Ralph Belliveau has been an avid amateur coin collector for a number of years generally learning the trade through employment with an Ontario coin dealer.

***Storm Policy:*** No classes when schools are closed in Amherst

***Scent-Free:*** Some people are very sensitive to perfume and other scents. Please respect a scent-free environment by not using scented products. Thank you.

***Attendance/Absenteeism:*** Our instructors are volunteers who work very hard putting courses together. Your cooperation is appreciated in letting them know if you are unable to attend classes as most instructors plan for the number of students registered in the course. If circumstances change between registration and the first class, or if you decide to withdraw after the first or second class, please e-mail the coordinator at [tsccordinator@nbnet.nb.ca](mailto:tsccordinator@nbnet.nb.ca) or call her at 506-364-2780. Many courses have a wait list and this could allow someone else to take your place.
