Build on knowledge acquired in French Beginners, Part II.

Will explore with students finding out what they want and where they're at and why they want to take Level III, for example traveling or reading. Meeting their needs is the operative word. Students will need a notebook, pen, French dictionary and possibly another book recommended by the Instructor.

**Instructor Bio:**

Norma taught in the French school system; at Language Bureau of the Federal Public Service in Ottawa; short contracts to either translate or give instruction in advanced French to organizations such as the Canada Revenue Agency.

**Some people are very sensitive to perfumes and other scents. Please respect a scent free environment by not using scented products. Thank you.**

**A note to seniors about class attendance and absenteeism....**

As you know, our instructors are all volunteers, who work very hard at putting courses together. Your cooperation is appreciated in letting them know if you are unable to attend any of the classes as most instructors plan weekly classes that are appropriate to the number of registered students in the course.

If circumstances change between registration and the first class, or if you decide to withdraw after the first or second class, please email [tsccordinator@nbnet.nb.ca](mailto:tsccordinator@nbnet.nb.ca) or call 364-2780. Many courses have a wait list and this could allow someone else to take your place.

Sometimes, seniors have travel plans or medical appointments made in advance. It would help instructors to know this at registration, if possible, so that class material may be adjusted accordingly. Illness, as well as other unanticipated and unavoidable conflicts can occur. If you are able, please let your instructor know as soon as possible if you will miss a class.

**Thank you!**
