Storm Policy: No classes when schools are closed in Sackville

This is a fieldtrip course, visiting historically important areas of Tantramar and Cumberland. The course will begin before the fall registration and all participants are expected to register for the course at fall registration. Please be ready to participate no matter what the weather – raincoats, boots and umbrellas and warm clothing may well be needed. But also, be ready to enjoy and ask lots of questions and take lots of pictures and experience first hand some historically important places of the Tantramar and Cumberland areas. Participants may wish to carpool but also certainly have the option of driving directly to the various meeting points.

A note to seniors about class attendance and absenteeism...

As you know, our instructors are all volunteers, who work very hard at putting courses together. Your cooperation is appreciated in letting them know if you are unable to attend any of the classes as most instructors plan weekly classes that are appropriate to the number of registered students in the course.

If circumstances change between registration and the first class, or if you decide to withdraw after the first or second class, please email tscordinator@nbnet.nb.ca or call 364-2780. Many courses have a wait list and this could allow someone else to take your place.

Sometimes, seniors have travel plans or medical appointments made in advance. It would help instructors to know this at registration, if possible, so that class material may be adjusted accordingly. Illness, as well as other unanticipated and unavoidable conflicts can occur. If you are able, please let your instructor know as soon as possible if you will miss a class.

Thank you!
