6 weeks starting on Jan 21, 2011

Maximum 14

Storm Policy: No classes when schools are closed in Moncton

An introductory course on scrapbooking.

Total student supplies for the course would be (maximum) approximately \$250.00.

A kit would include the basics: a cutter, glue stick, snail glue, black ink, dimensionals, journaling marker, piercing tool which comes to \$57.45 + tax + shipping and handling.

Each class would be probably \$15-\$25 approx. The maximum estimate of each class is 6 classes at \$25=\$150. In order to have materials to show at registration, I need to at least have 1 kit for that and then in order to start classes and have materials ordered in time I need to pre-order all the materials.

At registration, I would have the kit to show and examples of the projects we would be doing.

Instructor Bio:

Some people are very sensitive to perfumes and other scents. Please respect a scent free environment by not using scented products. Thank you.

A note to seniors about class attendance and absenteeism....

As you know, our instructors are all volunteers, who work very hard at putting courses together. Your cooperation is appreciated in letting them know if you are unable to attend any of the classes as most instructors plan weekly classes that are appropriate to the number of registered students in the course.

If circumstances change between registration and the first class, or if you decide to withdraw after the first or second class, please email tsccordinator@nbnet.nb.ca or call 364-2780. Many courses have a wait list and this could allow someone else to take your place. Sometimes, seniors have travel plans or medical appointments made in advance. It would help instructors to know this at registration, if possible, so that class material may be adjusted accordingly. Illness, as well as other unanticipated and unavoidable conflicts can occur. If you are able, please let your instructor know as soon as possible if you will miss a class.

Thank you!
