

**The Finishing Touch...for Knitters with Brenda Trafford**

[traffbre@nb.sympatico.ca](mailto:traffbre@nb.sympatico.ca)

**Wednesdays, 9:30-11:30am in Baie Verte Hall**

**4 weeks starting on January 19, 2011**

Maximum 15

**Storm Policy: No classes when schools are closed in Sackville**

This course is open to all levels of knitters, but is aimed at helping the less experienced among us to complete a project that was started by a previous knitter...while at the same time helping PEDVAC.

Crafters are famous for 'unfinished projects'! The Port Elgin and District Voluntary Action Council has a hugh number of unfinished children's sweaters that require knitting a new back followed by assembly of the sweater

Participants in this course would be gaining experience and knowledge while volunteering.

Let's have fun learning how to knit, or brushing up on your knitting skills, by getting these sweaters completed. The sweaters are a basic pattern, nothing fancy, and should be easy to finish off and assemble. Teapot and coffeepot will be on!

Students are asked to bring knitting needles and a darning needle. The size of the needle will be determined.

Knitted sweater parts and yarn for completing a back will be provided

**Instructor Bio:**

I have been a member of the Sackville Craft Gallery since my retirement in 1997, after a thirty-one year career as a music educator. My interest in hand work has been life long.

For years I made most of the clothes for our family, costumes and every sort of decoration.

In the last 20 years I have added tatting, bead crochet, felting and needlefelting and kumihimo (Japanese braiding) to the mix. I have even tried quilting, cross-stitch, weaving, smocking and rug. Fanatical? Most Likely!

**Some people are very sensitive to perfumes and other scents. Please respect a scent free environment by not using scented products. Thank you.**

**A note to seniors about class attendance and absenteeism....**

As you know, our instructors are all volunteers, who work very hard at putting courses together. Your cooperation is appreciated in letting them know if you are unable to attend any

of the classes as most instructors plan weekly classes that are appropriate to the number of registered students in the course.

If circumstances change between registration and the first class, or if you decide to withdraw after the first or second class, please email [tscordinator@nbnet.nb.ca](mailto:tscordinator@nbnet.nb.ca) or call 364-2780. Many courses have a wait list and this could allow someone else to take your place. Sometimes, seniors have travel plans or medical appointments made in advance. It would help instructors to know this at registration, if possible, so that class material may be adjusted accordingly. Illness, as well as other unanticipated and unavoidable conflicts can occur. If you are able, please let your instructor know as soon as possible if you will miss a class.

**Thank you!**
