

Woodworking – the Basics with Neville Ralph

nralph@eastlink.ca

Tuesdays, 9:00-11:00 in Neville's workshop at 214 Victoria St East, Amherst NS

6 weeks starting on April 12, 2011

Storm Policy: No classes when schools are closed in Amherst

This is a course for seniors who have basic woodworking knowledge and skills. It will emphasize working with hand tools and will cover sharpening and using hand planes, chisels and the spokeshave. You will be building a shaker serving tray and will learn to select and prepare wood, make hand-cut dovetails and apply a finish to the project. Students should bring their own hand tools to sharpen, tune and work with

The cost of material is estimated at \$50.00.

Instr Bio:

Neville is a retired Mount Allison Professor who has been a hobby woodworker for many years.

Scent-Free: Some people are very sensitive to perfume and other scents. Please respect a scent-free environment by not using scented products. Thank you.

Attendance/Absenteeism: Our instructors are volunteers who work very hard putting courses together. Your cooperation is appreciated in letting them know if you are unable to attend classes as most instructors plan for the number of students registered in the course. If circumstances change between registration and the first class, or if you decide to withdraw after the first or second class, please e-mail the coordinator at tsccordinator@nbnet.nb.ca or call her at 506-364-2780. Many courses have a wait list and this could allow someone else to take your place.
