During this course we will be using swatches knit by the students to practice various techniques. Please bring the following to the first class:

- A ball of Lopi and needles to obtain a gauge of 13 stitches and 19 rows to 4"
- A ball of a fingering or sock yarn and knitting needles to obtain gauge
- Wool needle and your basic knitting supplies.
- Pencil, paper (preferably graph paper), eraser and ruler

If you can, please knit a gauge swatch in the Lopi and bring it to the first class. (Cast on 15 or 17 stitches and knit in stocking stitch for 4 ½ inches to obtain a gauge of 13 stitches and 19 rows over 4")

A note to seniors about class attendance and absenteeism....

As you know, our instructors are all volunteers, who work very hard at putting courses together. Your cooperation is appreciated in letting them know if you are unable to attend any of the classes as most instructors plan weekly classes that are appropriate to the number of registered students in the course.

If circumstances change between registration and the first class, or if you decide to withdraw after the first or second class, please email tsccordinator@nbnet.nb.ca or call 364-2780. Many courses have a wait list and this could allow someone else to take your place. Sometimes, seniors have travel plans or medical appointments made in advance. It would help instructors to know this at registration, if possible, so that class material may be adjusted accordingly. Illness, as well as other unanticipated and unavoidable conflicts can occur. If you are able, please let your instructor know as soon as possible if you will miss a class.

Thank you!
