Instructor Bio:

Gisèle Julien taught in New Brunswick for 32 years and has been retired since June 2007. She is also a member of PROBUS. As her 1st trip after retirement, she took a **scrapbooking cruise to the Caribbean**. Scrapbooking has taken over her passion to create and to preserve family memories. It has been a big part of who she is since 2005 when this craft was first introduced to her by a colleague. She has always been involved in crafts of some kind so this has fed her creativity. **Scrapbooking also involves card making as the same techniques are used in both.**

An avid scrapbooker who has been published in **The Canadian Scrapbooker** magazine in the Winter issue 2010 and an e-magazine **Ready Set Create**. She has also been a guest designer on an online scrap site: **LCOM (Lets Capture our Memories)** <http://www.letscaptureourmemories.com/>. She recently become a demonstrator for **Stampin' Up** (a scrapbooking and card company who sells materials used for scrapbooking and paper crafts). She has recently been accepted as a scrapbooking designer with: **LCOM (Lets Capture our Memories)** <http://www.letscaptureourmemories.com/> and feels very privileged to have been selected as it is very competitive out there in the scrapbooking world. She is faced with challenges weekly during her term as designer for the group. She has a blog devoted to her craft: <http://giselejulien.blogspot.com/>

She is very enthusiastic in giving classes to her peers and is eager to show the craft to newbies. Learn from an experienced scrapbooker how fun this exciting craft can be. Once you have the basics, you can meet with other friends or scrap on your own. **Be careful, you might catch the scrap bug!**

Some people are very sensitive to perfumes and other scents. Please respect a scent free environment by not using scented products. Thank you.

A note to seniors about class attendance and absenteeism....

As you know, our instructors are all volunteers, who work very hard at putting courses together. Your cooperation is appreciated in letting them know if you are unable to attend any of the classes as most instructors plan weekly classes that are appropriate to the number of registered students in the course.

If circumstances change between registration and the first class, or if you decide to withdraw after the first or second class, please email tsccordinator@nbnet.nb.ca or call 364-2780. Many courses have a wait list and this could allow someone else to take your place. Sometimes, seniors have travel plans or medical appointments made in advance. It would help instructors to know this at registration, if possible, so that class material may be adjusted accordingly. Illness, as well as other unanticipated and unavoidable conflicts can occur. If you are able, please let your instructor know as soon as possible if you will miss a class.

Thank you!
