

Wind Power and the Wind Farm on the Marsh

Brown Bag

A Brown Bag is a one time presentation given over lunchtime on a topic of general interest which is open to College members and the Public; attendees are to bring their own lunch. Tea and coffee will be provided.

Course Description

Ms. Eason will present information on the wind farm being developed on the Tantramar marsh, other wind power projects proposed for Cumberland County and some overview on the provincial wind power initiatives. She will also provide an overview of the Cumberland Energy Office, its partners, and their initiatives that relate to wind energy development.

Time and Place

It will be held on Friday, January 13th from 12 noon to 1:30 at the Christ Church Parish Hall in Amherst

Instructor Bio

Shawna Eason has been the Cumberland Energy Officer with the Cumberland Regional Economic Development Association, CREDA, for the past 4 years since the inception of the Cumberland Energy Office (in partnership with the Municipality of the County of Cumberland). She holds a Bachelor of Science Degree, Faculty Program in Chemistry, Math and Physics, from McGill University. She is CSA Certified Greenhouse Gas Inventory Quantifier and nearing completion of her Certificate in Economic Development from the University of Waterloo and the Economic Developers Association of Canada.

Storm Policy: No classes when schools are closed in Amherst

Scent-Free: Some people are very sensitive to perfume and other scents. Please respect a scent-free environment by not using scented products.

Attendance/Absenteeism: Our instructors are volunteers who work very hard putting courses together. Your cooperation is appreciated in letting them know by email or phone if you are unable to attend classes as most instructors plan for the number of students registered in the course. If circumstances change between registration and the Brown Bag, please e-mail the coordinator at tsecoordinator@nbnet.nb.ca or call her at 506-364-2780.
