## Course Outline:

You will learn to knit simultaneously with both hands in this course. This skill will enable you to knit with two colours at the same time, thus saving time and effort. We will be knitting a mitten pattern developed by “Good Fibrations” of Saint John. The pattern is called ‘Tres Maritimes’ and it will be provided. Mittens from this pattern are for personal use only and can not be sold. You Tube provides some videos of this technique if you wish to get some background knowledge.

## Instructor Bio:

Margaret Ann is a potter who loves to knit.

**Remember to check your email before each new course begins and during the course. You will be contacted by email if:**

- a) The course is cancelled or delayed unexpectedly or if there is a change in the time or venue of the course.
- b) During the course if the instructor gives notice that he or she is ill or unavailable for one of the sessions. The course liaison will attempt to contact those without email by phone, so please ensure the TSC has your correct phone # as well.

**Absence/ Absenteeism** - TSC instructors are volunteers who work very hard to prepare courses. Your cooperation is appreciated in letting them know if you are unable to attend as most instructors plan for the number of students who registered for the course. If circumstances change for you between registration

and the first class, or if you decide to withdraw from the class, please email the TSC coordinator at [tscordinator@gmail.com](mailto:tscordinator@gmail.com). You can also call 506-364-2780 to let us know. Many courses have a wait list and someone else may be able to take your place. Once the class has started please advise the instructor if you are unable to attend a session.

**Classroom comportment** - Active class participation is encouraged by the TSC. We request that class members are mindful and respectful of the level of comfort of their fellow students and the volunteer instructors as they participate in the discussions.
