

Seniors' Health Conditions – Recent Medical Studies

- Instructor:** Dr Ross Thomas; grothomas@gmail.com
- Date/Time:** Wednesdays; March 13, 20; 2:00 – 3:00pm
- First class:** Wednesdays; March 13 (2 Session/s)
- Location:** Bill Johnston Room
- Participants:** Min: 5; Max: 25

Course Outline:

Dr Thomas will review, in easy to understand terms, recent medical studies relevant to the seniors population, with time for questions and discussion. Registrants will be surveyed beforehand to discover which topics will be dealt with in each session.

Instructor Bio:

Dr Thomas is a retired family physician/ER doc

Remember to Check Your E-Mail Before Each New Course Begins and During the Course. You will receive an e-mail if:

- a)** the course is cancelled or delayed unexpectedly or if there is a change in the time or venue of the course; **b)** during the course if the instructor gives notice that he/she is ill or unavailable for one of the sessions. The course liaison will attempt to contact those without e-mail by phone, so please make sure TSC has your correct phone number and e-mail.

Attendance/Absenteeism. TSC instructors are volunteers who work very hard to prepare courses. Your cooperation is appreciated in letting them know if you are unable to attend as most instructors plan for the number of students who registered in the course. If circumstances change between registration and the first class, or if you decide to withdraw from the class, please e-mail the TSC coordinator at tscordinator@gmail.com or call 506-364-2780. Many courses have a wait list and someone else may be able to take your place. Once the class has started advise the instructor directly if you are unable to attend a session.

Classroom Comportment. Active class participation is welcomed and encouraged by TSC. We request that class members remain mindful of the level of comfort of their fellow students and the volunteer instructors as they participate in discussion.
